Subject: Falcons Point Lift Station Project – Notice of Completion

The Issue

Shall the City Council authorize a Notice of Completion for the Falcons Point Lift Station Project?

Conclusions and Recommendation

Staff recommends that City Council, by **RESOLUTION**, authorize the recording of a Notice of Completion for the Falcons Point Lift Station Project.

Background

On May 10, 2010 the City Council awarded the Falcons Point Lift Station Project to Gabe Mendez, Inc. in an amount not to exceed \$450,989.00. Construction started summer of 2010 and was substantially complete by June of 2011. There were minor change orders associated with fitting changes and site grading access improvements to accommodate the new Vactor truck. Once quantities were adjusted to actual constructed amounts and change orders included, the final project cost is \$419,541.63 which is less than the awarded amount.

Alternatives Available to Council; Implications of Alternatives

The construction has been completed in accordance to the City Standard Specifications and Project Contract Documents. Therefore, authorization to file the Notice of Completion is appropriate and staff has no other alternatives to present.

Fiscal Impact

Funding for this project is out of the Sewer Enterprise Fund and was budgeted in an amount not to exceed \$650,000.00. After all change orders and quantities were adjusted, the construction contract is \$419,541.63, which is \$31,447.37 less than the awarded amount.
